

All in a Nut (J. LeDoux)

Why, Why, Why do we feel so afraid
Why, Why, Why do we feel so afraid

Chorus

Don't have to look very far
Don't get stuck in a rut
Don't have to look very hard
It's all in a nut, in your brain

How, How, How can we feel less afraid
How, How, How can we feel less afraid

Chorus

When, When, When will we feel less afraid
When, When, When will we feel less afraid

Chorus
