

When the Night Is Dark (J. LeDoux)

When the night is dark
I lose my fear
When the night is dark
I never shed a tear

Chorus:

Then the daylight comes
It scares me awake
Then the daylight comes
That's when I have to fake

When the night is dark
I feel so free
When the night is dark
I feel at peace

Chorus

When the night is dark
I begin to thrive
When the night is dark
I come alive

Chorus
